

Private Tours at Wave Hill

Wave Hill welcomes groups to our beautiful grounds year-round.

Often called “one of the greatest living works of art,” Wave Hill is a spectacular public garden and cultural center overlooking the majestic Hudson River and Palisades in the Riverdale section of the Bronx. Our mission is to celebrate the artistry and legacy of our gardens and landscapes, to preserve our magnificent views, and to explore human connections to the natural world through programs in horticulture, education and the arts.
